We are desperate for unwanted clean underwear that your child may have grown out of. Young children have toilet accidents from time to time and although the nursery children have spares in their bags we have completely run out of our spares for the school. So if you could help to replenish we would be most grateful. Thank you.

Reminder Owl photo

Don't forget to return the envelope with the money or the unwanted photo of your owl picture to the office by Monday 22nd May. Thank you.

Next half term dinner money is £64.60 which takes you up to 21st July 2017 end of school year.

This Sunday's reading – Sixth Sunday of Easter John 14:15-21

In the gospel reading Jesus tells us that if we love him, we must keep his commandments. And that if we do love him, God will also love us. Let's think a bit more about love today.

Jesus is trying to prepare his disciples for what is coming next – his death on the cross and his rising again.

Can you remember some of what he tells the disciples?

He tells them that if they love him, they must keep his commandments.

Can you remember the commandments that Jesus has given us?

Jesus asked us to love God and to love one another.

We have heard a lot about the refugee crisis and maybe we wonder what it is about. Many people, families, children and small babies are travelling far from home, looking for safety. They need people to help them and make them welcome. They need people to see them as neighbours and not as strangers. Lots of people are doing their best to help.

How can we show our love for one another? How do you show your love for others? How do others show their love for you?

It is often easy to show our love for those people who are close to us. We can be kind and generous to our friends, we can listen to our parents, carers and teachers. We can share with our brother or sister.

And they show their love for us by comforting us when we are upset, by looking after us and by sharing their things with us too.

But we are all God's children. God loves each and every one of us because we are special. And so we need to do our best to show our love to all people, not just those who are close by.

How will you show your love for others, both here and around the world in the coming week?
