FoSA SUMMER FAIR Friday 14th July 3.00pm – 6.00pm

Next half term we will be announcing weekly in the newsletter details of how you can support our summer fair by donating items for gifts, prizes and goods to sell etc.

During the holiday perhaps you could start by searching through the house for unwanted toiletries, toys, books, DVDs in good condition, or any other items you think you could donate that someone else might appreciate. Perhaps you could also offer to help at the fair by selling raffle tickets, helping on a stall, face painting, setting up or clearing away at the end etc. Please give your details to the office or Miss Darninsuang. Thank you.

Packed Lunches

Packed lunches brought to school or taken on school trips should contain healthy options and water to drink as we are a healthy school. There are a few alternative healthy options below if your child is bored with sandwiches:

Filled bread roll, pita bread, cheese sticks, yogurt, water, (no glass bottles or fizzy drinks) a piece of fruit.

NO packets of crisps/mini cheddars, chocolate, fizzy drinks/juices etc

If you are looking for something different most food shops (Tesco's, Asda's, Sainsbury's) stock healthy child sized snacks e.g. bread sticks with houmous.

It is important that you inform the office if your child is changing from school dinners to packed lunch in advance as you could be charged for a dinner.

Gospel: Matthew 28:16-20

What do you remember from today's reading? The disciples go to meet Jesus for the last time before he returns to heaven to be with God forever.

How do you think the disciples were feeling? What does Jesus tell the disciples that they must do?

He told them that they must go and share the gospel with all people that they meet and teach them to follow the commandments that Jesus has given us. And then at the end Jesus says to the disciples: "I am with you always; yes, to the end of time."

How do you think the disciples felt when they heard that Jesus would be always with them?

They must have been very relieved and happy. After all, he was their friend and their Saviour and he was asking them to do something which could be quite difficult – to go out and share his word with others.

But Jesus isn't just there for the disciples, Jesus is also with us until the end of time. He is with each and every one of us. Always. How does it make you feel to know that Jesus is always with you?

How do you know that Jesus is with you? When do you see or feel that Jesus is with you in your life?

Jesus is with us when we pray – we can talk to him about everything that worries and concerns us, we can give him thanks for the good things, we can say sorry, and we can ask for his help.

But Jesus is also with us in other people. Every single person is made in the image of God and Christ is in each and every one of us. You, me and everybody. And we can help others to see and feel that Jesus is with them too, through the things that we do. Can you think of how?

Each time we comfort someone who is sad or look after someone who is sick. When we are with people, caring, supporting and helping them through difficult times, we help them to see that they are not alone, that we are with them. We see Jesus in them, and they might even see Jesus in us.

And when we do this, we share the gospel in our actions by showing love for one another.

How will you help others to know that Jesus is still with us in the coming week?
