

## English

### Focus:

Children will be looking at a range of poetry and using the features studied to create their own poems linked to our topic work.

They will also be reading 'The man who walked between the Towers' and producing a newspaper report and descriptive writing based on this.

Children will also be developing their knowledge of punctuation and grammar which should filter into their writing.

## RE

Focus: Domestic Church – Family, Loving: This topic focuses on God, who never stops loving.

Baptism and Confirmation – Belonging, Vocation and

Commitment: This topic focuses on the vocation of priesthood and religious life.

## PSHE

Focus: Roles & Responsibilities.

This theme focuses on developing children's leadership skills in taking on more responsibilities for themselves and throughout the school. In addition to this children will be taking part in P4C (Philosophy for Children).

## Topic

### History/ Geography:

Focus: The Caribbean & The Windrush Movement

The children will be looking at the Caribbean region in terms of its geographical location, cultures and climate. Children will also be researching the Windrush Movement, of how people came to the England from the Caribbean islands during the late 40s and early 50s. This will be supported though work done during English lessons.

## Maths

### Focus: Number and written methods

The children will be focusing on applying their written methods in addition, subtraction, multiplication and division to solve maths problems.

**Please could you try to ensure that your child knows all their times table.**

## Year 6 **Autumn 1 2017**

## Computing

### Focus: Prezi

Children will be using internet based presentation software to support learning in other curriculum areas.

e-Safety – How to be safe on the internet.

## Science

### Focus: Animals and their habitats:

The children will be learning how to classify plants and animals; looking at how animals are suited to their habitats and categorising plants and animals using keys.

### Animals including humans:

Children will be looking at how the heart and lungs work as well as how diet and exercise can affect our heart rate.

## PE

### Focus: Invasion Games & Fitness.

Children will have two lessons a week. One of these lessons will be delivered by Coach Adrian/Ben. These lessons will focus on invasion games and fitness.
