Thank you to Mrs Savill for successfully running the Anti Bullying week. The children were given helpful information in class and were especially proud of wearing their odd socks. Why don't you ask them why they are wearing them?

Secondary School

If your child has been asked to attend a secondary school for a test, please inform the office not only of their absence but if they will be returning for lunch as they will automatically be marked as **NO** lunch.

Some parents are complaining that although they label their children's uniform they still seem to go missing. Could you regularly look at your child's uniform when you wash it at weekends and see if your child has picked up someone else's uniform by mistake. Sewn on labels help your child's lost belongings to successfully be returned.

We are now 3 weeks into the new half term and there are still parents/carers not paying for their child's school meals. School meals should be paid for in advance. Do read the Meals and other debts policy on the school web site.

This Sunday's reading – Thirty-third Sunday in Ordinary Time

Gospel: Matthew 25:14-30

Jesus tells another parable. This time a man is about to go abroad and so he calls his servants to him and gives them each something to look after.

He gives the first servant five talents ("talents" was a word for money in Jesus' time). He gives the second servant two talents. And the final servant one talent. What did the servants do with the talents they had been given?

The first one used the five talents he had been given and made five more. So he gave the master back ten talents all together. The second one used the two talents he had been given and made two more, giving the master back four talents all together.

The final servant hid his talent in the ground. When his master came back he dug it up and returned it to him.

How did the master react? Why do you think he was so angry?

What do you think Jesus is trying to tell us in this parable?

Jesus is telling us that it is important to use the gifts that God has given us. We are all good at different things. We all have different skills and talents. What is your talent?

Some of us are good at singing, some of us are good at sport. Some of us are good at dancing, some of us are good at drawing. Some of us are good at baking. Some of us are good at building lego. Some of us are good at speaking out when we see that something is wrong or unfair. Some of us are good at helping others.

Whatever your talent is, Jesus is saying that it is important not to hide our talents from others – to just keep them to ourselves and never let them grow. Instead, it is by going out into the world, by sharing our talents and using our skills to help others that we serve God.

By using our skills to help others in our world, we are also serving God.

How will you use your talents to serve God in the coming week?

Please note that all attendance awards are for the previous week.
