

English

Focus:

Children will be continuing to develop a range of writing styles, writing to persuade about the importance of air quality as well as looking at fictional writing based on Clockwork- the book we will be studying this half term. In addition, children will continue to develop their spelling, punctuation and grammar skills as well as participating in focused, daily guided reading sessions.

Topic

Geography:

Focus: Environmental issues

Children will be studying environmental issues, with a particular focus on air pollution and clean air issues. This will be linked to the children's writing in English and statistics work in Maths.

Maths

Focus: geometry, statistics, interpreting data

Children will be looking at different types of angles; identifying & describing 2d and 3d shapes; area and perimeter; translating, rotating and reflecting shapes; and interpreting data.

Measures.

Children will be solving problems involving the calculation and conversion of units of measure.

RE

Focus: Local Church - Community –

Sources: This topic looks at the importance of Holy books, making links between scripture and Christian beliefs

Eucharist - Relating – Unity: This topic develops understanding of the prayers within Mass and how this unites us with Jesus Christ.

Year 6 Spring 1 2018

Computing

Focus: Simulation

Children will be looking at various simulation software. This will be linked to our environmental issues studies.

Children will also be using iPads to research environmental issues.

e-Safety – How to be safe on the internet & e-Safety communication & collaboration.

Science

Focus: Evolution and inheritance:

Children will be learning that living things change over time to best suit the environment in which they live. We will also be looking at how living things produce offspring which are similar but not identical to their parents. As part of the study we will also be looking at the work of Charles Darwin.

PSHE

Focus: Patience.

We will be looking at how to be more patient in our lives and develop methods to help us be more patient. Children will also be continuing to take part in Philosophy for Children (P4C) sessions.

PE

Focus: Gymnastics & fitness

Children will be exploring gymnastics with elements of fitness used throughout. These sessions will be delivered by Coach Adrian or Coach Ben.
