Our latest records show that there are a lot of children arriving just after 9.00am. We understand that there are lots of road works on the journeys leading to the school, but that is still no excuse for being late. Most of our staff have to travel through the same areas but they are here on time because they leave home earlier. If you are arriving late due to any road works, then you should leave home earlier to arrive in school before 9.00am. Your child will then be recorded in the class register on time and will be ready to hear the plans for the day. Children arriving on time start the day with the rest of the class and maximize their learning time.

Choir at St George's Cathedral

St George's are holding an annual 'recruitment day' on Saturday 19 May 2018 between 10am & 4pm for boys and girls aged between 7 - 13 who wish to join their two cathedral choirs.

KS1 Assessment

There was a fantastic turn out for the Yr2 assessment workshop held on Tuesday. If you were unable to make it, do look in your child's book bag for the hand out and a sample paper.

The Ascension of the Lord (Year B)

Gospel: Mark 16:15-20

We hear in the Gospel reading how Jesus told his disciples to go out into the world sharing the good news. Then Jesus was taken to heaven to be with God. We are also called to share the good news of Jesus, let's think a bit about how we can do that today. Jesus told his disciples to go and show everyone that they believe in him and tell the good news to everybody in the world. What do you think this good news is?

Jesus' good news is that although he died on the cross, he is risen again. He is the Son of God and he wants us all to love one another as he loves us.

We all like to hear good news. What was the last thing you heard that made you happy? Why did it make you happy? How do you feel when you get to tell your family and friends good news that you know will make them happy?

Jesus was then taken to heaven to sit at God's right hand. Although it was sad for his followers that Jesus wasn't with them anymore, they knew he was still looking after them. Even though they could no longer see him, Jesus was still with his disciples. Jesus was now working through his disciples, as they carried out his good work.

And Jesus is still with us too. How do you think that we can show that Jesus is still with us?

We can also spread good news by always treating others with love and respect. And we can try to make the world a better and fairer place for all people to live in. How will you spread the good news of Jesus and show others that he is still with us over the coming week?

NEXT WEEK

KS1 Assessments begin

Please note that all attendance awards are for the previous week.
