As we have had such wonderful sunshine recently, if it continues it might be a good idea to use sun protective cream on your child before school. For the younger children in Reception & Nursery who have free flow and may choose to be outside for most of the day, you may want to send in sun protective cream to apply during the day. The staff are quite happy to help with applying the cream. Don't forget to wear a school sun hat.

Dinner Money

Once again we are having to write, text and email parents who do not pay their child's dinner money every week. If you wish to pay monthly or termly you should pay the money into your child's account at the beginning of the month/term not at the end as this creates a debt. Paying online through the Gateway app makes paying really easy. If you have problems with payment, do come to the office for help and advice.

School Photos

The last day to order and pay for the school photos either through the school office or online is:

The Apostles see Jesus ascend to Heaven.

Think about if there has been a time when you felt abandoned and all alone? Maybe you have been in a store with your family and you were distracted by something you were looking at and when you looked around your family was gone. At that moment how did you feel? When a person is left all alone he/she may feel abandoned or deserted. For the few minutes you lost your family members you may have felt very frightened. As soon as you were reunited with your family you were so relieved and comforted to not have been truly abandoned. Sometimes feelings of fear, sadness, or loneliness can cloud our hearts to the truth that Jesus has spoken to us. The Bible is full of God's instructions for His people to follow until He returns or calls them home. When we have feelings that seem to overwhelm us we need to find out the truth from reading God's Word. Three days after Jesus was buried in a sealed tomb God raised Him from the dead! He did exactly what He told the disciples He would do. To prove that Jesus was really alive and not a figment of the disciples' imaginations, Jesus stayed on the earth for 40 days after His resurrection. Saint Luke tells us that over those 40 days Jesus gave convincing proof of His resurrection. God's plan was for Jesus to return to heaven. Jesus had chosen His apostles to be messengers for Him after He left. What message did Jesus want His apostles to tell others? Although Jesus was returning to heaven He was not abandoning His apostles. God never leaves or abandons His children. It was important for the Apostles to obey Jesus' instructions and wait in Jerusalem for the Holy Spirit. When Jesus finished instructing the apostles, His feet lifted off the ground and He began to ascend or go up into the sky. As He went up into the sky a cloud hid Him from the apostles' sight. The apostles would miss having Jesus walk with them and being able to see His face. Very soon God would be sending the Holy Spirit to them. The Holy Spirit will always be with them and go wherever they go. The Holy Spirit would give them power to do the important job of sharing the Good News with other people.
